Title of Invention: EXTRACTING DATA FROM SEMI-STRUCTURED TEXT DOCUMENTS

COMBINED DECLARATION AND POWER OF ATTORNEY

As the below named inventors, we hereby declare that:

Our respective residences, post office addresses, and citizenships are as stated below next to our names; that

We verily believe that we are the original and first inventors of the invention entitled EXTRACTING DATA FROM SEMI-STRUCTURED TEXT DOCUMENTS, for which we hereby request national stage entry in the United States of America and for which we are filing a Preliminary Amendment on January 23, 2006; which national stage entry application claims priority to the International patent application number PCT/US04/23932 which was filed under the PCT on July 23, 2004, which claims priority to US provisional patent application number 60/489,454 which was filed on July 23, 2003; that

We have read the specification and understand the contents thereof, including the claims, as amended by any amendment specifically referred to above; that

We do not know and do not believe that the same was ever known or used in the United States of America before our invention thereof, or patented or described in any printed publication in any country before my invention thereof for more than one year prior to this application, that the same was not in public use or on sale in the United States of America more than one year prior to this application, that the invention has not been patented or made the subject of an inventor's certificate issued before the day of this application in any country foreign to the United States of America on any application filed by us or our legal representatives or assigns more than twelve months prior to this application, that we acknowledge the duty to disclose information of which we are aware which is material to patentability as defined by 37 C.F.R. 1.56, including for continuation-in-part applications, material information which became available between the filing date of the prior application and the national or PCT international filing date of the continuation-in-part application; and that no application for patent or inventor's certificate on this invention has been filed in any country foreign to the United States of America prior to this application by me or my legal representatives or assigned except as follows: International patent application number PCT/US04/23932 and US provisional patent application number 60/489,454.

We hereby appoint as attorney of record with full power of substitution and revocation, to prosecute this application and transact all business in the Patent and Trademark Office connected therewith: Peter R. Forrest, Reg. No. 33,235; Robert W. Gutenkauf, Reg. No. 25,681, and, Malcolm D. Reid, Reg. No. 27,065 of **Customer Number 28020**.
